Mr. King:

Are you available for a prehearing conference and technology test run at 10 a.m. on Friday?

Regards,  
David Stark

David:

Ms. Hux and I are available anytime on Thursday or Friday (except for the time that you schedule for me to be present for the test in the other complaint matter). 10 a.m. Friday works best for Ms. Hux and myself.

Matt

Parties:

I am David Stark and will be administering the case in Docket No. 2021-111-G. We are scheduled to have a virtual hearing on Tuesday, August 17, at 2 p.m. To accomplish this virtual hearing, we will use WebEx as the videoconferencing software.

In order for our IT staff to send you the invitation (via email) to the WebEx meeting, I will need each party to fill out the information contained in the following survey:

<https://www.surveymonkey.com/r/293BFGT>

I would ask that you fill out this information as soon as possible.

I think that a test-run would be appropriate, to make sure everyone is able to access the software and that our equipment can communicate easily – this will avoid any problems during the hearing scheduled for Tuesday at 2:00. I would propose that we have, simultaneously, a test-run and a prehearing conference on Thursday or Friday, at a time that is mutually acceptable to you all. If the parties would advise me about when you prefer to have a test-run and (brief) prehearing conference, I would appreciate it.

As always, please make sure to “reply all” to any communications so that everyone has a complete record and please make sure that “contact.psc.sc.gov” is copied.

Regards,

David Stark
